Good morning,

I wanted to reach out to you before our upcoming Dia de los Muertos event.

1) How many officers will be assigned to Dia de los Muertos? Where will you be setting up your command post? We are planning on keeping the stage on Mesa Street. However, it will be moved further towards 5th Street. I wanted to show you the new layout.

2) When can we set up a planning meeting? I know that Officer Nua will not be around. Who will be our point of contact?

3) I need to confirm how many of our officers I should schedule.

4) Attached is the street closure permit. Please notice that this is a City-sponsored event as shown on the permit. As we discovered at the SHRED skateboarding event, City sponsored events are exempt from the noise ordinance. I've attached the language for your reference. Since you are the enforcement agency, I wanted to discuss this with you and ask how best this can be communicated to Bruce.

I look forward to hearing from you.

Best regards,

Lorena Parker
